To The Wells and Lane family What a friend we have in Jesus all our sins and grief to bear, all because we do not carry everything to God in prayer! We the Pastor and members of Greater Morning Star are so saddened to hear of the transition of Mother Wells, but we know that this earthly frame will desolve, but thank God for another building not made by man's hand, but eternally we will be with the Lord, we are satisfied that Mother Wells is in a better place no more hospital, Nursing Home and no more suffering and pain, all of that is now over and she is resting waiting for that great day when we'll go sweeping through the city, our love and prayers are with all of you we love you and whatever we can do we are here for you, Bishop Howard Artis and The Morning Star Church Family.
