Paul, Brenda and Terry Farrior;I met Helen about 48 years ago through my husband Paul Farrior, they were childhood friends. When my husband introduced me to Helen we became instant friends. We had many meals together. She and Council were the reason we adopted our son Terry. We took many vacations together with our children, Council loved to travel. We moved away 16 years ago but our friendship stayed. Whenever we were home for a visit, it was not complete without seeing Helen. Helen was a kind, sweet, soft spoken person and she loved the Lord with all her heart. Our hearts are very heavy. We will miss our friend.Our prayers are with the Dixon /Battle family. May the Lord continue to pour out His grace upon you during this time.

So many precious memories of Aunt Helen. SNot only was she my children's care taker for several years. Fond memories at Easter and Christmas. She enjoyed watching her neices and nephews eating her delights such as sausage balls. During Christmas she tried to maje sure she had a little something for everyone. She was a fun loving and thoughtful aunt.

Fond Memories of back in the day when we were dating age, my Father wouldn't let me go out unless I was with Helen and Evelyn. He knew he didn't have to worry as long as I was with them. He also knew that Mrs. Irene & Mr. Frank didn't play! I was sooo grateful for Helen and Evelyn 🙏 We double dated/ triple dated and always had a lot of fun! Because of the bond and friendship we had back then, it still exist today ❤️. Helen was a beautiful, kind hearted and giving person. She will be missed. To be absent from the body, is to be present with the Lord! Rest in Peace Helen ❤️
