Brooke, Brandon, Cornelius, Michelle and Family, I do not have words to express my feeling of shock and not prepared for Lynette's passing. If I could travel I would be with you as you go through this experience. Lynn and each of you were very helpful when I needed you in the early days of my business and I thank you and thank God for you. I remember Lynn and your helpful response when I lost my mother in 1999. Your mother was among God's best that was on earth. I will miss the calls and getting to ask about each of you. Instead of a flower, I sent a Memorial Donation to Brooke. God will be with you as you go through the experience on tomorrow and I will be thinking about and praying for your strength.
