Larry was my next door neighbor for many years. He was a person you could always count on to be there and do the right thing. When my Clergy assignment was moved from Goldsboro to Bath , Larry drove the for truck for me. That's a true friend that helps you move! Both Larry & May were neighbors anyone would want. I miss them Both!Rest in Peace My BrotherRet Rev. William M. Creech

Mr. Larry!! From the first day I met you, you were very welcoming to me. I will never forget our talks sitting at your kitchen table eating sausage you made me. You gave me good advice as a very young man. I will never forget. I admired the husband and father you were to Ms Mary and your daughters. Rest easy, Mr. Larry. You will be missed.

My heart aches to know that you have transition. Growing up people thought you and I were brother and sister because of our closeness. Even though we didn't talk nor see each other every, we knew we really loved each other. Sleep well my cousin 😞
