I will surely miss you grandma from you calling me at 3 and 4 in the morning. I would say Grandma I'll call you when I get up and you would always say With the Lords will I'll talk you then. I can honestly say you were what they call a true grandmama when ever I called and needed you, you were right there some children have grandparents and they can't tell you nothing about them but not you you were one of the good ones I will miss you love your granddaughter Sebrena
