I miss my brother Thurman. GOD has sustained him over the years, thru blindness and sickness. I would call him as much as possible because I just wanted to hear his voice to say "I love you brother" to make him feel loved. You see our mom's belief in GOD and affection rub off on her children to always be there for each other, care how you treat people and help somebody in need. My brother served GOD as he quietly laid each day, until GOD said no more suffering FOR I AM WITH YOU. (sis Irene)
