To the family of Esther L. Carlton I extend sincere sympathy to the family in your loss, and pray that as the days that lie ahead the Lord will sustain you and give you peace. I met Esther when we both were freshmen at Douglass. Though graduation separated us, the friendship remained. I would very often see her when I returned on vacation. She always had a cheerful smile as we embraced. Those times I will cherish. Again, I extend my deepest sympathy. Marion (Waters) Veal

Our deepest condolences to the Carlton Family. My Mother, Christine and Esther were friends for many, many years. Ms. Esther became "AUNT" Esther to us. Since that day of calling her Auntie, she began to love on us and we began to love on her. We both celebrated birthdays in the same month-December and ate our favorite cake- coconut cake. When she was in good health, she was our beautician. She kept us looking good all the time. She was a joy to be around. The week before she transitioned, we found her praising the Lord and giving God the praise for all the good things he has done in her life. We went to uplift her but before we left, she was full of energy, talking and uplifting us. This was amazing to me! We didn't know but God knew. He was preparing her for something greater. Auntie is now resting in the arms of the Lord. We will definitely miss her and her beautiful smile.
