I didn't have the pleasure of meeting this precious young lady. My heart broke a little when I heard the news that she and her young cousin had died in a horrible vehicle crash. My thoughts and prayers go out to the family and friends of her cousin who died and her cousin who is in the hospital. (I don't know her current condition.). My heart breaks for Miss Hines's mother and father, and especially her grandmother. My heartfelt sympathy to all who knew and loved her. The promising future cut so short. May time ease your pain, which will never go away, but will become part of you. She will live on in your thoughts and dreams—in the corner of your heart where your love for your precious baby will grow and sustain you. May God's love lift you up and support you in the days and years ahead. We. Learn to live with our pain and grow with the love of our Lord. I wish you of God's richest blessings. With love to mothers, fathers, and grandmothers, and grandfathers everywhere.
