A teacher indeed! Mrs. Brewington was my typing teacher and even now as I am able to type without looking at the keyboard I am reminded that it is because of the quality instructions I received from Mrs. Brewington. Mrs Brewington believed in her students. She once drove me and other students to Goldsboro to take the postal exam, on her personal time! When password clues ask who's my favorite teacher? The answer is Mrs. Brewington! Take your rest my beloved teacher! Member of Frink High School Class of 1968.
