Rae, you is definitely going to be missed son. You were a big part of my family. You ate many meals at my house and stayed any time you wanted to with your brother and sister. The bond you guys had was awesome. You was protected over JaVeana and when her brother moved to Durham, you made sure you came to see her and made sure she was always good. You was definitely the type of brother that any girl would want. My family is going to miss you like crazy. When we not the news, there was not a dry eye in the house. This hurt hard, you was a big part of us as well. Missing you King. I love you my son from another mother
