So many of our family milestones were attended by Hilton's presence-the death of my husband, my father's anniversary, my mother and my father's death, and family visits to demonstrate his love for us.He was a caring, loving man whose actions spoke louder than his words.

Knowing Hilton Patrick was a sheer joy. He and I were fellow church members many years ago and I was also a business client of his. I am reminded of him daily because of his excellent handiwork. Gone but will never be forgotten.
