Oh Lord, it is so hard to say good-bye to such a dearly loved uncle. I thank You, Lord, that He is removed from all the pain and sufferings of life and is now rejoicing in heavenly places with Jesus and all the saints of God, but I miss him already and I know that his passing is hard for all the family, and so I ask Lord that You would give comfort right now to all who are missing him, as much as I am. Thank You, that he was my uncle and thank You for all the things that I have learned from him. Lord, we had such good times together and I am so grateful for all good advice that he has given me over the years. Do give Your comfort and strength to the rest of the family as I know that there are those that will miss him greatly, and grieve for his passing, as they don't know Jesus. So I pray that through his death those members of the family who are unsaved, would draw their comfort from Jesus, and come to know Him as their personal Saviour. Thank You, in Jesus' name, Amen.
