"It's Jer-o-my, not Gemy!" -Jeremy. You were my brothers' hero coming up! We all adored you! Your Brogden ball games where I played in the band during half time. You were it kid! I pray for your significant other and your children. I can't imagine the pain of such a loss for Aunt Dot and Jamika. As a child, you protected them! You were a protector! You were funny, loving, smart and creative. You were a musician named Jeronimo (we haven't forgotten)! We will miss you, big Cousin! We love you, the GARNER FAMILY. LeeLee (Lonieka Garner)

I remember Jeremy when he was small he use to suck his thumb. I would tell him Jeremy stop sucking your thumb. I told him look at your thumb it's so thin, all he would do is laugh. Jeremy had the pettiest smile and had so much love. When I was feeling bad some time my phone would ring, and I look at it and it would be Jeremy saying hi Auntie I love you, and I would say I love you more. He would ask me how I was feeling? I would say good. Jeremy said to me on the end of our talk. He said Auntie you can make all the money, but it can't do nothing with your health. I said to him that is so right baby. He always made my day just to here from him. Jeremy was my heart, and I love him so much. I will miss my baby. Jeremy was talking to me on the Friday October 7th 2022. He told me how much he loved his daughters which he called his babies. He said he was very proud of them and he thank God for his mother and father raising him right. Jeremy always been a lovable person and if he could help you he would. He said that he loved all his cousins and Aunties. Jeremy was totally different from the rest. Jeremy came to see me and he let me know that he was all right. Rest In Peace my baby.

Jeremy was my first love. My heart hurts knowing that I will never be able to see him again, even though I know he is in a better place now. He had a heart of gold and always made sure I was good. My whole family loved him and was always welcomed. He was a hard worker and a wonderful father. Jeremy you will be deeply missed. Rest In Peace my friend.

What can I say about my son Jeremy, He was a lovable person. He love to talk and tell jokes. He would often call me and say "what up old man". I would say, (Jeremy what do you want.) He would laugh and say, I love you man. and tell mommy Karen I love her too. I'm going to miss his phone calls and coming over to eat. and most of all, " POPS let me hold twenty dollars". Rest in peace my son and know that you was loved by your mom and pops. AND KNOW THIS THAT YOUR KILLER WILL BE BOUGHT TO JUSTICE. Love you my son.Jerry McClarin
