Dearest Yolande, Your love and dedication to your Mother is so commendable, my sister. You truly honored her in the most loving and Christian way all Mothers should be loved by their kids. Now she's truly an Angel on your shoulder, there to guide you through your tomorrows. God bless you and be encouraged. Much love, Tracey G. San Francisco / o '88

Each day since the passing of number 1 on Wayne Ave, I reflect on how much she meant to so many!!! She always wore a smile and was sincere about how she felt about things that meant a lot to her and those she loved and cherished. Her spirit was one that you can't find everyday/everywhere. She was one who love reading and applying what she read to life's experiences. Her humble spirit will forever remain in the lives of those she touched!!!
