My dear friend and friend i mean because that's a word I don't use for everyone. We may not have talked everyday or week, month but when we did it was like no time had passed. I had shared good news and bad new with you always there with a smile and helping had. I remember when I told you I wanted to get saved and you took my hands and said the sinner's prayer. I felt such a feeling come over me. It was at standard products behind the paint line. No one knew you did that for me until now I love you my friend and always will. Rest in peace. You will truly be missed 🥺🙏💔💔💔🙏
