Oh My goodness I was wondering why I haven't heard from my friend! Today being her birthday of course it came up on my time line! I have to say if there was anyone that showed someone how to be a friend it is Jerrica! We worked together at Harnett Woods and at Willow Creek! Often talked about life especially men! I'm just so upset I didn't know b4 now! But I Know she is resting with no more worries! I will miss our talks. God Bless Her Children and Family!

You were my friend and at times you were even like my daughter. This one hit hard. I'm gonna miss you so much. I will always cherish the laughable moments and the long conversations we shared together. When we met, it felt like I'd known you my whole life. Thank you for being the genuine, sweet person that were babygirl! I love you forever! No more troubles, you can rest now Queen!

To the family of Jerica.I knew Jerica when she worked as a Nurse at Longleaf Neuro Medical Treatment Center.She was pleasant and always kept a smile.She loved the residents and the staff who she worked closely with each day.I'm at a loss for words,but I do know that she was an AWESOME Mom to her children.I

PRAY that the family will carry out Jerica's wishes by loving her children as she did.They will need numerous of listening ears,shoulders to cry on,but most of all they will need the LOVE that their Mom showered upon them all the days that GOD leant her to them.Prayers for each of you during this time of bereavement and beyondBE BLESSEDSusie Finch-Douglas
