Dot, I am so sorry to hear of the passing of Mr. Heath. I have fond memories of him from the Bus Lot back when we drove buses together. One of my fondest memories was when he ACCURATELY forecast the direct hit of one of the hurricanes when trained meteorologists forecast that it would turn. He had the same look he has in the picture, and said, "We're going to get the eye...watch what I tell you!" Peace and Blessings to you and your family! Pastor Timothy L. Dortch
