I really can't believe that my Aunt Barbara has transitioned to glory. Aunt Barbara was full of love and she just loved on everybody. I loved to hear her say "How you doing shug?" I call people shug because of her. She has always been very supportive of the Lassiter family. She was there for my Granny Lola Lassiter and my aunt Rosa Mae Fuller. I am so glad that I experienced her love and beauty and she will forever live in my memories. Luv you Barbi Jo and Sister, GOD bless you, you gave Aunt Barbara her flowers while she lived!!!
