You were more like a older brother than a cousin to many of us. You were always there for us matter what. Your mother set a good example for you to live by and you did just that. You were kind, loving, understanding, honest, and most of all a good God fearing family man. You will be missed (Billy Ray) We love you. Vickie Jackson Greenfield and Family

A Cousin who did as much as he could for others. A neighbor who ensured that everyone's yards were neat, organized and well-groomed around his community, a man who took excellent care of his Mother for years, and was considerate & helpful to the older generations & transported numerous students, elderly persons & physically challenged individuals throughout Wayne County. A true family oriented man. He was never boastful but the impact of his life works made a huge difference in the life of many people and families. His work here on earth is done and he has left a huge void. Prayers for Alton, Gwen, Mary, the grandchildren, Bryan and the entire family 🙏👤👤👤🙏
