Sending my condolences to the Cox family. I am very sorry to hear of Louis passing. He use to be my across the street neighbor on Plumgrove Ln. He was such nice person. He kept me and my brother Mike laughing all the time. I use to purchase the big tubs of Cherry Vanilla ice-cream for him from NCSU to take back home and share with his family in Goldsboro.

Pete was a lot of fun! He was good about picking up and delivering things to our son when he was at NC State. He would tell him " Just be standing on the corner when I ride thru" Pete loved people and we had great conversations. When he arrived in heaven, He told it ALL!

I'm going to miss Lucci and I having our conversations when we call each other. He would always say that he was working hard, and I would tell him that he wasn't do nothing. He would always say that he was counting the cars going by. I'm going to miss hearing him saying and Nubby Mae.

When I first read the obituary, I knew that I knew Louis. I remember him as Pete growing up. Even though I was younger than him and the rest of his siblings, I grew up with all but Bobby. My prayers and condolences are with the entire Cox family. Special shout out to Betty Lois. She was always such a sweetheart.
