So sorry to hear of Scarlet's passing. We went to school together, church together, and grew up together. Knowing her was to love her. Even though I will not be able to be with you in person as you lay your loved one to rest but know that my thought and prayers are with you. May God comfort, strengthen and keep you today and in the days to come and may the memories of your love one be a source of comfort and strength for you in the day, months, and years to come.
