My sincere condolences to the Skinner family. My prayers will continue to as you reflect and cherish your memories of Valencia. I had the opportunity to be her teacher at CHE. She was so sincere and brought joy to our class. Her laughter and hugs were priceless. Valencia was a great student and a role model in our classroom. She did well academically and always put forth her best effort. I still have a gift she gave me. When other students see it, I tell them it was from a former student. Now, that she has gone to glory, I humbly say, thank you to the family. Thank you all for allowing me to serve Valencia. She was a gift to me. My encouragement to everyone, is to pray and support each other in the days, weeks, months, and years to come. Hold to God's unchanging hand. Dr. Antonia Kittrell (formerly known as Mrs. Taylor)
