Marina you will surely be missed. Len, I am so very sorry to hear of the loss of someone you deeply love. It is during times of great loss that we realize how limiting words can be and how special our friends truly are. Marina has always been a truly great friend to me. I hope you can hear the words I cannot speak, for words can do no justice to the heartache you and your family have endured. My heart and prayers are with you all during this time of grieving. Please know that you are not alone in remembering a truly wonderful person that meant so much to so many. My Deepest Sympathy Mary Jones
