I sincerely loved Mr Stocer and his wife Mrs Vivian. They were fun, full of wisdom, full of support and love. Not only were they and my grandparents good friends, but when I went to Antioch they always spent time with me. I remember when we were doing an Easter party at Antioch and Mr Stover was narrating. One day after practice I said, "man Mr Stover, you sound just like the guy from the Ten Commandments!" He said, "You know, that's what I was going for. I was trying to decide if I would go for him or (I can't recall the other person). " Lol good memories!!
