So sorry to hear about Brad. My fondest memories of him were in his elementary years as a student in my music class. Boy, did he love to sing and always would participate in class. He had the sweetest smile and his mannerism would capture your heart. I remember one of his favorite songs was "I like to eat apples and bananas"!Please know that you all are in my thoughts and prayers. Praying for strength as you face these difficult days ahead.Sorrowfully,Janet D. Barnes

One of the sweetest people you ever wanted to meet. So blessed to call Brad "family". You will be missed, but the fact that you're at peace now, helps ease the sting (not erase it) of you no longer being here with us. Rest well, cousin! I love you!
