Please accept our sincerest sympathies on the loss of your mother. It is important that you know how proud she was of her family. She bragged about you all the time. Diane was more than a great neighbor; she is the epitome of the Scriptural good neighbor who loves others and treats them as she would herself. What a remarkable example she set to her Children; what a remarkable lady Diane was. Diane, Thank you for reminding us that the present moment is precious, and that we should make the most of it by loving fully and generously. Spread your wings and fly proudly, Diane. You have earned it. You will be greatly missed.

I'm sure she knows I will keep her family in prayers. I am so glad we had a moment to pray together and Carnell and I spoke her too. She sounded so hopeful and was in a happy mood!
