To my Auntee as I always called you and whom I love. I was really shocked on the message I received. From us texting and chatting then to no response then to see your name on funeral arrangements really gave me a pause. You will be very much missed you have such a loving and given heart. Your passion was to love, help, and serve that you did very well. I appreciate you very much and everything you have done. You are rejoicing now, in a better place, loving, serving and helping in the kingdom of God. We will miss you, but I know u are saying girl bye I'm having the best time of my life. I'm living the best of my everlasting life. Love you Auntee Nett. God bless the Roger family. I pray that the spirit of comfort, the holy spirit will continue to uplift and carrying you with the strength and love of God in Jesus name.
