Mr. Cecil Maurice Exum

AUG 7, 1962 - JUL 2, 2023

Australia - Mr. Cecil M. Exum, 60, passed on Sunday, July 2, 2023. The celebration of his life will be held on Thursday, July 20, 2023 at 12:00pm with a viewing from 11:00am to 11:45am at the Goldsboro-Raleigh District Assembly (GRDA), 211 West Hooks River Road, Goldsboro, NC. He will be laid to rest at the Elmwood Cemetery, 900 W. Brick Street (Hwy 117 Bypass), Goldsboro, NC. The service will be live streamed on our J.B. Rhodes Funeral Home & Cremations Facebook page at <https://www.facebook.com/jb.r.home> or <https://www.youtube.com/live/bUVFfeIaOSM?feature=share>.

He was born on August 7, 1962 in Goldsboro, NC to Johnny Wayne Exum and Barbara Harvey Exum. Cecil will be deeply missed and fondly remembered by his family, Barbara, Aaron, Desiree, Jamaar, Danté and Tierra; as well as, by his close friends, colleagues, and all those whose lives he touched in the USA and abroad.

He was a beloved individual who touched the lives of many. Cecil grew up in Dudley, North Carolina where he discovered his love of basketball at a very early age. His formative years in sports took place at Southern Wayne High School. It was there his legacy started to unfold. During his high school career, Cecil was a star both on and off the court. He was committed to academics and improving the school's culture. His fighting spirit was impactful such that, in 1980, Cecil and his victorious Saints won the North Carolina 4-A State Championship. His star then began to shine brightly. He received the Most Valuable Player Award and had the extraordinary distinction of having his jersey retired by Southern Wayne High School – the first being done in the school's history.

Services of caring, compassionate and distinguished class entrusted to J.B. Rhodes Funeral Home & Cremations of Goldsboro.

Cecil Exum, you and Des came into our families life two weeks into your new basketball journey here in Melbourne Australia at the age of 21. From that time on you were part of our family for weekly dinners, Birthdays, Christmas's, 21st, engagement parties, bucks days, weddings etc We watched you become parents and you watched us three boys become Dads too.From one on one training sessions before school, to motivating you to do your pre season trainings by us agreeing to race you doing 10x100 mtr sprints at the local primary school, in preparation for another NBL season, we did it together.Our mates loved coming over in summer to witness the only man who could stand in the deepest part of the pool and still have his head and majestic flat top above the water. Hearing you beeping your car horn out the front of our place (albeit your standard two hours late) when you finally got your dream car- a Mazda RX7 and then hilariously watching your 6ft6 frame take 15 minutes to get in and out of it was just text book CecWe have had so many laughs over the years so many pictures, memories and great stories to look back on and share about our "big brother" You are going to leave a massive void in our family 💔💔Our thoughts are with all the Exum family both here in Australia and the USAI know Dad would of been waiting to greet you up in the sky please say hi to him for us 😭💔💔Rest in Peace big fella The Warry family

Cecil, it was a joy bringing you to the Giants and having you working in the office with Narelle and I. Your time running our Schools and Promotions programs was great fun. It was always funny how, despite having National players and other US imports, you always received the loudest cheer from the crowd - you made the most of giving away the free tickets to the kids! While it was sad catching up with you at Mark Leader's funeral it now makes me smile that we had the chance to do so. You were a terrific friend, a great contributor to our NBL Title in 1989, and a great husband & parent to Desiree and the kids. Condolences to Des and the kids and I can report that the basketball fraternity here in Australia has been hurt hard by your passing. You loved the US, you left as an Aussie and you were a great human being. You are sadly missed xxRon BongettiMelbourne, Australia

It is with great sadness to hear of the passing of Cecil. Our sincere condolences and prayers goes out to the Exum family. How could we forget an awesome basketball player of the Southern Wayne Saints class of 1980. The Goldsboro Cougars and the Saints battle it out to get to the regional games. I know we played them three to four times that season. The Goldsboro Cougars had an awesome team too. Cecil won the 4A- state championship in 1980 along side with his teammates the starting five lead by point guard our other better half Lynwood Robinson and well coach by Marshall Hamilton . Over 30 years ago you came into our lives and changed it forever, you became part of our extended family and even adopted our beloved Bombers. When the kids came along your heart was full, you were so proud. You learnt to enjoy Barney and was even know on occasions to sing them while walking down the aisle of the supermarket. You would never arrive for a visit without a special treat from the cheese cake shop and would always take to time to check. We will miss you always and forever.
