When I look at the pictures of Ronnie and his "boys", I think of friendship. Nowadays they are called your "ride or die". They are friends forever. His circle included many. All parts of town claimed him as one of their own. I send my deepest sympathy and healing prayers to Ronnie's Wife and Family. You are not alone. He was a good man and a friend to many. He will be truly missed. To my dear friend, Ronnie, who has joined the Master, we will see you again. Thank you, for being a friend. Lula, Art and Family,
