From little boys to grown men, we have known each other. The talk we had going up the highway I will never forget what you said. To the Hines family may you find strength and healing during this difficult time. I want to leave this quote..."People touch our lives if only for a moment, And yet we're not the same from that moment on, The time is not important, The moment is forever."Fern Bork

Marcus was a dear friend of my late brother Gregory Speed. I'm truly sorry to hear of his passing. I send my condolences to his family. He was always kind to me.
