Elder Alexander Cox was a man after God's own heart. He truly was born to serve and he served with an excellent spirit. He was just a great all around family man always decreeing blessings especially over his wife, Belle and the children. He was always willing and ready to help in any way if he could. He genuinely love and cared for all people. He had such a love for God's word and always preached it with a strong conviction. I never heard anything spoken negative by Elder Cox. He was just a true Man of God and his presence, smile and encouraging words surely will be missed by all of us who knew him. Just last month after one of the services, I complimented him on his appearance (long dressed coat and hat) as he was leaving. I said, "Elder Cox, you look like wealth", he flashed a big smile and humbly agreed, stating he reads it every day (a writing in their hallway).I count it a privilege and with great honor to have served in ministry alongside this great Man of God, Dr. Alexander Cox, a GLORY carrier. To the family, I love you dearly and you have my heartfelt condolences and prayers.
