Captain Crunch was one of our favorite cereals, you used to holler out the kitchen window in Hood Trailer Park and I'd come across the street and we would eat cereal and laugh until Thunderfoot came in and was fussing a me for eating all the cereal lol those were some good times and you are definitely loved and truly will be missed ❤️❤️❤️

Sharon was one of the sweetest woman I had a pleasure of knowing. Granted we met through work, I couldn't ask for a better boss, but she became a true friend. My heart breaks for her family and loved ones and anyone that had the pleasure of knowing her. She will be deeply missed. She was an angel on earth and now we are blessed to have another angel in heaven watching over us. ❤️ Katie Thetford
