Aunt Jean "DELICIOUS" as she often said when you asked her how she was doing...even in not so good days, she would still say, "I'm DELICIOUS." Known to so many as Aunt Jean, she was every bit "D.E.L.I.C.I.O.U.S": Dedicated, Encouraging, Loving, Inspiring, Compassionate, Irresistible, Optimistic, Unique and Savvy. I have known her all my life and remember her this way. God bless the family and rest on Aunt Jean. I know you will be DELICIOUS in heaven too.

Cuz Jean was always jovial, caring, compassionate, loving and the string of wonderful adjectives to describe her personality could go on to infinity... Even during our last visit at the Nursing Care Facility on Wayne Memorial Drive on Memorial Day 2023 - was filled with laughter and many fun memories of family gatherings! The one memory which will go with us into eternity is our Bible Study times, because she had such an extensive collection in her home - that we could spend hours cross-referencing any topic we wanted to discuss. Then we would share in sing-a-longs from all of her good ole gospel music. ... will meet you in Glory Land where we will never get tired of Praising for God's Grace, Mercy and Peace!!! Cuz Gloria "Ruth"

Aunt Jean was a pillar of the family and community. She and my mother, Luzianne Edwards, grew up together as sisters; so,. As an elder of the family, she encouraged younger family members to get involved in the Ham Family Reunion and led by example because she always attended and even sponsored the event location in 2013. She loved the Word of God and loved her family. Her works speak for her as she makes her journey home. Aunt Jean take your rest, we love and miss you; but, God loves you best!

I worked with Miss Jean at the nursing home and she was a sweet sassy lady who always talked how good God is. I enjoyed seeing her even when she wasn't on my assignment I would still go by and see her. She would always say do you have me today and you are a good one. Rest on.

Jean was my sister and dearly loved. She was a funny, sassy Christian women who loved God, his word and her family. We spent many good times together ❤️ and laughed late into the night. The Alumni on memorial day was a coming home for me and my brothers. Later we spent days on the porch, drinking coffee and eating Kristy cream donuts, especially when the Hot sign was on. I talked to her a week ago and was shocked and saddened by her passing. Sleep well SIS. See you in paradise. John 5:28-29.Toodle Loop. Joanne Tatum Boston
