I recall the lyrics to a song when a man loves a woman he can't keep his mind on nothing else, that is how I feel Lemont Atkinson felt about Donise Thompson. I truly believe that Donise returned that same level of love to Lemont. Whenever, I saw the two of them together there was something about the glow on their faces that could only be a sign of a couple deeply in love. Rest well Mr. Lemont Atkinson, it was indeed a pleasure to have known such a fine gentleman as yourself. My sincere condolences are extended to the Thompson and Atkinson families.
