This breaks my heart! Cary was always nice even as a young girl! I had talked to Cary a few weeks ago in the grocery store! She always smiled and that day she wanted to know how I was doing ! It hurts me to know that we won't see each other around town again! We will miss you Cary. RIP 🙏❤️

Carrie and I worked closely together at National Spinning and we became great friends. She was a friend of the family and we considered her family. This was a shock, but I will always remember her great, huge, and genuine smile and the sweet person she was. I will always keep you in my heart, my friend. I love you. ❤️
