wAbsolutely saddened to hear about Anthony's passing. He was such a cool and wonderful young man. We attended the same church some years ago. He didn't talk a lot but when he did it was profound. To Bridget and his entire family Charles and I offer our deepest sympathy to you all. Sometimes knowing that others care carry us through the darkest of times. May He rest in Power and may we see him in our own transition when we go from earth to glory. May the God of peace grant you all love and comfort during this very difficult time.
