If I couldn't say one word, I'll just wave my hand. That's Mother Jones testimony, she is resting now in the arms of Jesus. The entire time that I have know her, and that would be from the sixties to the present always quiet spoken. My prayers are with her family at this time. Just that is sleeping a place called "paradise" until the second coming of Christ.

My sincere condolences to the Deacon Garry Jones and his family. I met Mother Jones many years ago at Taylors Chapel FWB Church. Mother Nina has always been so quiet and nice. I don't think I ever heard her raise her voice. She was a Blessing to her children and her church. May she find rest in the sweet arms of Jesus and may the Holy Spirit bring Comfort and Peace to her beloved family. With Love, Care and Concern, Eldress Iris W. Jackson
