Memories of Bam Bam goes way way back to our younger age days. He was a great friend who became like family. He and my brothers were truly close.

Especially with Herbert. They visited each other so often until he did not have to

knock to come in at our house. In our older age days and the lost of Herbert we did not see each other

as much. However, that huge smile would appear on his face when we did see each other out. We

would stop and do a quick chat as if we see each other all the time. I know he will be miss by many.

Also knowing that there's nothing God can not do helps me accept His will concerning our friend Bam Bam.

Bam was a friend to everyone in our Best Station Community. His infectious smile would brighten your day. I was happy to see him and his siblings at a cookout Memorial Day weekend, not realizing until then that he was a "master griller" and enjoyed his delicious barbecue. He was a proud Dad of Takivia (we called her "Little Miss Pee Wee" and Grandpa, sharing their pictures with me. Family, please embrace the fond memories and remember that the Lord your God is with you.
