I have just recently learned of the passing of my lifelong friend, Thomas (Flooja) Lawson. We grew up as neighbors and our families attended church together for many years and I admired his time spent in the 82nd Airborne during his time in service before my later service in Vietnam. My deepest regrets to your family as his loss is a loss for both you and the community as his is the type of spirit that is irrepressible and always finds a solution to every problem encountered. God Bless the entire Lawson Family!!
