Uncle Leno, I can remember when he, took me in for a few months while I was preparing to move into my house at the time I had and 18 wheeler and my car in his yard and he never complained, we bounded that year. He cooked big meals almost everyday also introduced me to cranberry beans, something until he cooked them I have never heard of. He will be missed and I will keep my family in prayer! I love and will miss him! Rest well sir!!Apostle Wayne Jay Greenfield Nephew!!
