I met you 21 years ago at the nursing home. We became the best of friends from the beginning. Our friendship grew stronger and stronger daily. We were always talking or texting. If I ever needed a meal you had my back. I grew to love your girls and grandchildren as well. Vernell I loved your personality and spirit so well. I Loved you so much and I know you loved me too. We were almost like sisters. I was so hurt hearing that you had passed. I will have the memories of you in my heart and that will never change. Take your wings and fly high my Special Friend. ♥♥♥♥♥ The Lewis Family.

My sympathies to the Wolfe family. Our class from NDHS 1984 is getting ready for our 40 year reunion - Vernell will be missed. We would chat via social media from time to time and she had some of the most inspirational messages. My prayer to God is that He will give peace in the midst of this storm.
