You were one of my favorite cousins. We were as close as cousins could ever get. We laughed. We talked. We loved each other. We checked on each other regularly. You took a piece of my heart with you Cuz 😞💔💔. Life feels so different 😞. The only thing that's helping me cope is knowing that you gave your life to God. And I could hear the joy in your voice and the peace on your face. I will never EVER FORGET YOU CUZ. I love you always and forever 💔💔
