So sorry to hear of the homegoing of your mother, cousin, relative, and friend, Rosa. I first met Rosa during our years of attending elementary (greenleaf) school. We also attended junior high and high school together. She was always a very quite and sweet person. I lost track of Rosa till one day I ran into her in Wal Mart. From then on, I looked for her when I went in there. Rosa was a very special and unique person. GOD bless you.

It is with heartfelt tears and sorrow I pin this condolence to Erik, Derik, Quinton, the Alston family and friends of my dear classmate and lifelong friend Rosie. My heart is too heavy at this time to say more as memories in the corner of my mind are too numerous to recount but will always cherish and hold dear. Especially as she and I were last together some five to six years ago that will make eating future Crispy Creme donuts become even more sweeter. Take heart everyone, it will get better as loving memories of your mother, grandmother, cousin, classmate and friend sustains you. Rev. Janette Jones Bellevue, Nebraska

Rosa was a wonderful classmate, member of the Dillard High School Class of '67. I'm sending sincere condolences and prayers for her family. Continue to trust GOD.

I extend my deepest sympathy and condolences to the families. Rosa was one of my first childhood friends attending school at Greenleaf School, fourth-grade teacher Ms. Thompson and 6th-grade teacher Ms. Mooring. We lived on the same street block, Seaboard, until her family moved to the opposite end of Seaboard Street. I had the pleasure of visiting Rosa and her three little jolly active boys in West Heaven Housing Development while on a vacation in Goldsboro. As well as the pleasure of seeing her at her Auntie Lillian Weeks' house where I always stayed when I visited Goldsboro. Rosa was such a pleasant person and a top personality.

I love You cousin Rose. You reminded me of Aunt Magaline quiet but loved your family. It was always good vibes and congratulations when I would see you at Walmart. If Mom was with me in Goldsboro we could be on our way home and she would say take me by Walmart so I can see my niece Rose and I would have yo turn around some time and take her because she would throw that shade in there and say we didn't see her the last time because she was off that day. She would have me asking other worker if you was at work saying is my Rose working today she's my Niece It would be funny to me because she act like the workers were supposed to care You were so kindhearted and beautiful inside and out Your hugs were so meaningful and real. Rest in Heaven Beautiful and give my Aunt and my Mom a big hug from Me □□□□□□□□

I met Rosa when in went to Greenleaf School and stayed a few blocks for her. She was a quiet person, I remember when her mom would bake gingerbread cookies and they smelled soooo good. Back in the day you know our parents taught us not to eat anyone's house. But let me tell you when her mom made those gingerbread men cookies I wanted some sooo bad. God is the healer of all things, put your trust in him. Sending prayers to the family.LaVerne Bell LoweryClassmate

Rosa was a good neighborhood friend. We grew up on North End and went to Greenleaf, West Elm Jr High and Dillard High. I am honored to have known her and to have had her as a member of the Dillard High School Class of 1967. Rosa had a quiet and gentle spirit. In 1st Peter 3:4, God considers that as precious. May precious memories be of great comfort to her family.
