Marian had such a sweet smile that you noticed whenever she entered the room! I will miss seeing her but one thing I know she love her husband/and family! The church was her focus also because you could see her at most of the services! And lastly I believe the class of 1959 will sincerely miss her presence at their table!We love you dearly. Marian was my high school classmate and one of my dearest friends. We both graduated from the Fayetteville State University and had careers as educators. She was so generous, sweet and kind. Her death really surprised me and hurt me badly. My sincere condolences to Jack, her sons, grandchildren, and the Murray, Davis, Worrell families.
