I totally agree. He spoke simple truths that still stands in my mind today when looking at situations. "Inmates don't always lie and staff don't always tell the truth"...in other words, always seek the truth.

GC Gail Collins April 27 at 7:21 AM

Mr. Lofton was a good leader and a man of integrity. He was the best Regional Director ever appointed by the North Carolina Department of Public Safety. He was a good teacher, a good mentor, believed in fairness and doing the right thing. You were a pioneer and will never be forgotten or replaced.
