Condolences to the entire Jackson family and the Parkstown community. I personally have many memories and experiences with Keith going all the way back to the many days spent in Parkstown at my grandmother's house. Parkstown was like a second home for me, as well as my brothers. I knew Keith even before grade school. He was always a good friend and someone whom everyone enjoyed being around. So for now, we believe and lean on that promise we will see him again. A friend forever!!
