My fond memories of Delorice was during our Highschool days! We enjoyed laughing and joking together! As we grow older in life, we loose contact, but not the memories! To her daughter April, you had a beautiful mom. To the entire Melvin family, may sweet precious memories comfort you now and forever more. With Love and sympathy, Florence Allen Cutler, Class of 1972 to which Delorice was a proud member!!

Even though we had parents, Kizi was always in charge. She acted more like my momma than a cousin, but whatever she did, it was always out of love. She would say "don't make me talk harsh to you" and then start laughing. The memories of our childhood are precious and she will never be forgotten, The hole in my heart has gotten wider with this loss. Rest my cuz 🕊️❤️ You will never be forgotten. Stay strong Melvin family 🙏 Plum
