I am so very sorry in your loss of such a beautiful and quiet sweet soul. I worked with Pandora many years ago at DSS and we shared good times...both in working and laughing. My prayers are with her family and loved ones. I ran into her in recent years while out shopping and it was like we never missed years in-between. See you in our eternal Home, Pandora. I love you.

As I sit to write this tribute, my heart is so sadden at this moment that it's my first real friend from working at DSS. Pandora had a quiet presence but she was so strong, bold and spoke with confident. I remember being so overwhelmed at work and didn't want to take breaks, she softly said to me, when you die this work is still going to be here they just going to hire someone else to do it, she spoke with wisdom, so I start taking my breaks. Pandora showed herself as a friend, I will always remember Pandora coming to my grandfather's homegoing service (1992). As I was walking out, I saw my friend, just her presence with no words meant more to me than she would ever know. To the family my heartfelt condolences and prayers are being sent your way.
