From our Saturday mornings drinking coffee and watching the Price is Right, to me asking how dirty can I get, while playing, in case we "go off" into the town for the day.... You are truly missed. You have loved me, fussed at me and still loved me until your last days. It was such an honor to have you to meet my fiance... You said "We gotta pick out my dress soon" for our wedding and you have no idea how much that means to me... I promise to continue to make you proud... and when i pour my coffee on cool Saturday mornings, to start my day, you will always be in my heart and mind. I love you, Ma Dot. -Tori

I send my heartfelt sympathy to the Joyner-Washington Family. Whenever I spoke of or spoke to her, it was always "Dot Joyner". Her laugh was infectious... I love her. She could always find something to say to make you feel better. Dot was a 1966 classmate and although I haven't seen her for sometime, I'll still miss her.
