I am sadden by the passing of Edith. She and I worked together for years at Cherry Hospital. She was a great coworker and friend. She was quick to listen and slow to anger. She always was helpful to me and others. Such a beautiful woman with a beautiful spirit. Edith will be missed.

Words are inadequate to express the hurt I felt when I hear of my Soror Edith Mae passing. We worked together on many projects with our sorority and the Panhellenic. I could always depend on her, always willing and committed to whatever was asked of her. I am so glad I had the opportunity to speak with her on the day prior to her passing, little did I know that would be our last earthly conversation. You will truly be missed My Soror/My Friend. Prayers for comfort and strength for your family during this difficult time. Soror Mary Carmichael

Today, my heart is heavy as I remember my line dancing sister, Edith. We met 12 years ago. She was someone I laughed with, talked with and truly cherished. Her smile could light up a room. She may be gone from my sight but never my heart. Sisters forever. Cynthia Davis

I am in shock. Edith was my social work adviser when I was an undergraduate social work intern at East Carolina in 1989. She was so professional and kind. The wisdom and teachings she imparted to me I have used throughout my career. We stayed friends over the years and kept in touch. Rest well in Heaven, Edith, you have run the race and finished the course. God has gained an angel. We will miss you.
